ModTek[®]

HARD CASE

The ModTek Hard Case delivers rugged protection for devices exposed to nonstop handling, impacts, and extreme work conditions. Fully weather-proof, drop-tested, field-proven, and easy to clean.

ModTek is built to last in every environment.

GO AHEAD, DROP IT.

6ft DROP
TEST

Our ModTek Hard Case was drop tested (*MIL-STD-810H Method 516.8, Procedure IV*) from 6 feet, surpassing the standard 4-foot test, and emerging victorious, cementing its reputation for unparalleled strength.

ModTek[®]

DOCKS

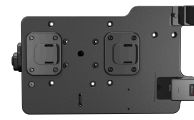

Forget the hassle of constant rip-and-replace upgrades.
With **ModTek**, upgrading your tablets becomes a breeze.

**Say goodbye to costly installations.
Upgrade smart, save big.**

Designed for universal compatibility throughout the ModTek ecosystem.
It supports a wide range of configurations as needs evolve, enabling a scalable solution that works across mixed fleets and multiple devices.

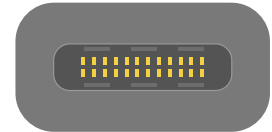

Docking **All Compatible Devices**

THE ADVANTAGE OF USB-C 3.1

USB-C 3.1 Technology

- Utilize the benefits of a direct connection to USB-C 3.1 for simultaneous rapid charging and high-speed data transfer.
- Supports 5 Gbps of Data.
- Supports up to 4K Video.
- USB 2.0 backwards compatible.

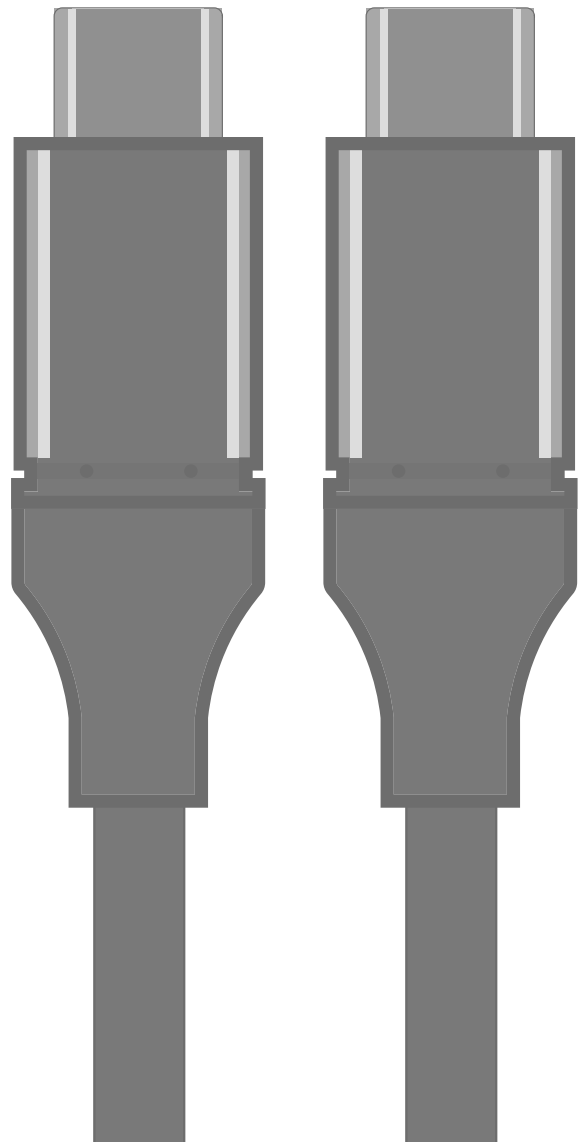

Power Control

- Provides more power when battery is low.
- Reduces power current when full preserving battery life and wear.
- Powers off when undocked, preventing static from attracting particulates from the open air.

USB-C 3.1 Power Delivery

- Supports up to 100W of charging
- 5V, 9V, 12V, 15V, 20V

CUSTOM MOUNTS THAT WORK FOR YOU

With a combination of cutting-edge technology and unmatched device protection, ModTek is a game-changer.

From transportation to warehouses, retail to health, and beyond, ModTek is a robust solution that adapts to your diverse needs.

BUILT FOR EVERY INDUSTRY

TRANSPORTATION

Keep drivers connected and fleets efficient with secure access to real-time information that improves safety, compliance, and performance on the road.

MANUFACTURING

Boost productivity and streamline workflows with durable, reliable performance that stands up to the demands of the factory floor.

RETAIL AND HOSPITALITY

Enhance staff efficiency and service quality with dependable device access that supports faster checkouts, accurate inventory management, and a seamless customer experience.

HEALTHCARE

Improve patient care and staff efficiency with dependable device access that streamlines workflows, enhances accuracy, and supports seamless communication.

GOVERNMENT

Strengthen efficiency and service with secure, reliable device access that keeps teams connected and productive.

PUBLIC SAFETY

Enable faster response times and safer operations with secure, always-ready device access that keeps first responders connected when every second counts.

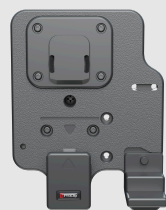

ModTekTM
FOR SAMSUNG

GALAXY S22

ModTek Hard Case for Samsung Galaxy S22

217201

- Easy access to all existing buttons, ports, cameras and the screen.
- Finger wells allow for a comfortable and ergonomic grip.
- Direct USB-C 3.1 access between the tablet and the Dock for simultaneous rapid charging and high-speed data transfer.

ModTek Dock for Handhelds

217198

- Quick release dial allows for one-handed docking and undocking.
- Raised mounting point aligns perfectly with the Hard Case.
- Universally compatible with all current and future ModTek Hard Cases with centered USB-C port.
- Protected USB-C 3.1 Port.

The following registry lists U.S. patents and design patents that covers one or more ProClip USA products. This virtual patent marking registry is being provided to comply with the U.S. patent marking statute (35 U.S.C. §287(a)) and corresponding patent marking provisions in other countries and jurisdictions. The absence of any U.S. or design patent, or foreign design registration in this registry should not be considered as an indication that there is no patent, design patent, or design registration.
